ADS-B 1090 MOPS, Revision A

Meeting #3

Figure 2-16a revision (State Transitions)

(Presented by William Harman)

SUMMARY
It was agreed in the January meeting to make certain changes to the track-state transition standards in Section 2.2.10. Corresponding changes were then required for the three figures that illustrate these standards. This paper provides a revision of Figure 2-16a to reflect these changes.
